

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUÉ

Being a communication to Residents about Various Matters

10 September 2018

Dear Residents,

Last week, some of you received a 2nd 'NEW LEVY PROPOSAL ...' letter from Adam Kajee.

You will recall that after the AGM the return date was extended from 10 August to 14 September 2018. Your ResCom tried to get a further extension to that date, but failed.

This then is a reminder to all those residents (Phases 1, 2 & 3) who have not yet signed and returned their letters, that the return date remains **14 September 2018**.

If any resident requires any help in making the decision whether to remain on your '**Current Structure**', or change to the '**New Structure**', please contact me and I'll do my best to help you. Please understand that this must be your own decision and all I can do is try to help you understand the issues.

Hennie du Preez,
ResCom chairman
