

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUE - 67

Missing Books

5 October 2018

Evergreen LIBRARY

Missing books

The President's Keepers by Jacques Pauw

Two copies of this book have been donated to our library in recent months. Both are missing from our library shelves and there is no record of them in the log book.

This is an urgent plea to all residents

- Please record books you have taken out in the log book, and
- The library is for the use of residents only.
