

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUE - 67

Oktoberfest

8 October 2018

🌸 OCTOBER 17th 2018 - SOCIAL 🌸

To all our residents who enjoy draught beer!

For the social on October 17th, Ian and I thought it would fun to buy a draught beer keg. Obviously, with all the will in the world, it would be impossible for us to drink it all. We would therefore like to ask if we have any takers to share the cost, and the enjoyment, of a keg at the social on October 17th.

The cost of a 30 litre Heineken keg is R1140.00. This means 60 x 500ml drinks per keg works out at R19 per 500 ml drink. We can also hire a beer mug for R1 each so R20 is the whole deal for one 500ml draught! There is no limit to how many you order at R20 each.

If you are interested in sharing a keg with us on the evening, please email Judy on judy.stuart@mweb.co.za with the number of 500 ml drinks you wish to reserve and we will establish the interest and whether it is possible to raise enough money to afford sharing a keg. We need to give the bottle store one week's notice for our keg order so **please get back to us by 10th October.**

Obviously the usual "bring your own wine or beer" applies to the Oktoberfest social. This is just an additional option that might be of interest.

Judy and Ian Stuart
