

Circular 029-2018

9 November 2018

Dear Residents,

FIRE BLANKETS

Our ResCom Security Portfolio Member, Mr. Graham Brickett has very kindly sourced some reasonably priced fire blankets.

As an additional safety option to the fire extinguisher, these fire blankets are specifically used for fighting fires which occur on the stove and are used to smother the fire. The purchase of these blankets are optional.

The two options are as follows:

- **Size 1.0m square @ R100.00 each excluding VAT**
- **Size 1,2m square @ R120.00 each excluding VAT**

Should you wish to purchase one of these fire blankets, please contact Reception on ext. 200 during office hours.

Kind regards,

Roy Martin
Village Manager
