

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUE - 80

Thursday Night is Movie Night

21 November 2018

Dear Residents,

We would like to introduce **subtitles** in Thursday Night movies.

It has been pointed out that several Residents have not been able to attend movies due to the dialogue being too difficult to be heard.

As from tomorrow, we will endeavor to include subtitles in each movie shown.

Tomorrow we will be showing 'The History Boys' with subtitles and will inform you when these are included in future offerings.

What will make your life easier will be if you were to be included in the 'EVERGREEN MOVIE WhatsApp Group', then we can let you know what movie has subtitles.

Please give me a call if you have 'WhatsApp' on your phone and I can add you onto the group.
