White Elephant Stall - Report

17th December 2018

Dear Fellow Residents,

**EVERGREEN CRAFT  
MARKET  
10 NOVEMBER 2018**

Many thanks to all who donated to and supported the White Elephant stall at our Craft morning earlier this month; it was a great success and a lot of fun too.

The clothes were, as always, a great hit with the staff, especially as this year there were quite a lot of men's clothing and shoes for sale. There were also many other collectables which caught the interest of folk, and those that remain we will try and sell elsewhere to raise even more funds for charity.

Other items that were not sold were collected by Taffy Davies and will be distributed by his church to those in need.

Total profits from sales amounted to R8 000.00

The money will be distributed among three main charities –

Guide Dog Association	R4 000.00
Green Door*	R2 000.00
Woodrock Animal Sanctuary	R2 000.00

**Green Door\*** is a sanctuary for abused women and children in Diepsloot. It is run by Brown Lekeleka from his own home and depends solely upon donations to provide comfort, support and counselling for these women and their children. We have met him and found him a softly-spoken and dedicated man.

With best wishes for the festive season, may it be a happy and blessed one.

**Elske and Libby**
