

Circular 003-2019

31 January 2019

Dear Residents,

FIRE BLANKETS

For those of you who still wish to purchase a Fire Blanket and missed out on the previous order, our ResCom Security Portfolio Member, Mr. Graham Brickett has very kindly sourced some reasonably priced fire blankets.

As an additional safety option to the fire extinguisher, these fire blankets are specifically used for fighting fires which occur on the stove and are used to smother the fire. The purchase of these blankets are optional.

The two options are as follows:

- **Size 1.0m square @ R115.00 including VAT**
- **Size 1,2m square @ R138.00 including VAT**

Should you wish to purchase one of these fire blankets, please contact Reception on ext. 200 during office hours.

Kind regards,

Roy Martin
Village Manager
