

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUÉ - 103

Book Club Meeting

6 February 2019

Dear Residents,

1ST BOOK MORNING OF 2019
Tuesday 19th February @ 10am for 10.30am

An invitation is extended to all Evergreeners to an interesting and relaxed morning listening to book reviews given by residents.

The books reviewed may be new, old, in our library or from your private shelves, but they all promise to be interesting and may often introduce you to new authors, characters and stories.

ALSO CALLING FOR BOOK REVIEWERS

We're keen to broaden our pool of book reviewers, so please don't be shy, we're all amateurs and friends – give me call [ext 102] – we'd love to hear about your favourite reads.
