COMMUNIQUE - 109

A week by the Sea

18th February 2019

Dear Residents,

We have received a message from Gerd Pontow (No 8) who is in Umhlanga Rocks at the moment.

He has a 2 week time share at Cabana Beach but will only be able to use the first week. The unit will be available from Saturday 23rd February.

Would you like to use that week for R5 900.00??

Please give Gerd a ring on his cell phone (083 267 4205) to get further particulars, and you could be on your way to the coast.
