Benches under the Blue Gums

5<sup>th</sup> April 2019

Dear Residents,

I'm referring here to the 2 benches standing under the Blue Gum Trees between the top pond and Loerie Lane.

We will be leveling and paving this area in the next few weeks. Work will start next week and regrettably we'll have to move the benches out of the way. They won't be moved far – but just out of the way.

A little bit of inconvenience for a few weeks I'm afraid, but the end result will be a big improvement.

Hennie du Preez  
ResCom Chairman
