COMMUNIQUE - 134

St Georges Pub - Social

18<sup>th</sup> April 2019

Dear Residents,

Just a heads up for the social next week.

We are organising a pub type social for Wednesday, 24<sup>th</sup> April next week. As we nearly missed out on St Georges Day, we decided to have this event.

It looks like pub type fare on the menu, Fish and Chips or Chicken and Chips with the trimmings.

With the number of holidays in the next two weeks we decided to get this notice out today.
