

Circular 16-2019

24 May 2019

Dear Residents,

REMOVAL OF CIRCLE AND ADDITIONAL SPEED HUMPS

In an ongoing effort to improve our village and to ease traffic flow and curb the continual problem of speeding in the village, we are about to commence with some improvements in Loerie Lane and Heron Drive.

As you may well have noticed some hoarding being erected next to the Guard House on the lawns, this will be the contractors work site for the duration of the road works, please keep clear of this area.

Please be aware of the road works over the next three weeks, there will be disruptions and lane closures during this time and we request your understanding and patience.

Starting Monday, 27 May 2019 the road repairs will commence with the installation of two additional speed humps in Loerie Lane and the removal of the traffic circle in Heron Drive.

From Thursday, 30 May 2019 excavation of half of the two speed humps in Heron Drive will begin close to the circle, on the Southern side and the Northern side of the existing circle. During this time there will only be one lane to access the units beyond number 62 and below unit 63. The contractors will be setting up the required barriers and safety measures.

From Tuesday, 11 June 2019 excavation of the second half of the same two speed humps will commence

Apologies in advance, unfortunately there will be disruptions for the next month or so, for the duration of the contract.

Kind regards

Roy Martin
Village Manager

Let's work Together to make "The Village of Our Dreams"
