

Dear Valued Residents

## A management update

In the ever changing environment we find ourselves in we have to continually reassess our focus on business requirements. The recent expansion of Evergreen Broadacres and the delivery of the first block of 48 Apartments and the continuous construction of the second block of 60 Apartments has necessitated a change in senior management.

From 1 August 2019, Roy Martin will assume the role of Assistant Village Manager for Evergreen Broadacres. Roy has been a dedicated leader over the past 4 years and has seen the village grow. I look forward to seeing him take on this new role. It will allow Roy the ability to get much more involved in the day to day managing of the operations within the village and work closer with the training and development of the Duty Managers. I would like to take this opportunity to thank Roy for his commitment and effort over the years and I would like to request that each and every one of you support him in his new role and during this process of change.

To this end it gives me great pleasure to welcome Wilma Swart to the Evergreen Lifestyle team from 1 August 2019 as Village Manager of Evergreen Broadacres. Wilma has 20 years of senior management experience in a hospitality management role with overall and direct responsibility and accountability for the strategic leadership and directions of the multiple hospitality operations and teams.

She has worked for Bidvest Prestige as a regional General Manager of Hospitality, Fidelity Supercare Services as National Hospitality Manager and in the past 10 years held the position of Hotel General Manager at various Tsogo Sun Hotels including SunSquare Monte Casino, Southern Sun Pretoria and Southern Sun Katherine Street to mention a few. I am excited to see the value that Wilma will add not just to Broadacres but to the business as a whole and wish her all the best of luck in taking charge of this fast growing village. With the support of Roy, Rene and the team I am confident that she will be successful.

Please join me in extending Wilma the warm Evergreen welcome that we are known for.

Thank you for your ongoing support.

Kind Regards,

*Garry Reed*
