COMMUNIQUE - 153

Kate's visit to the Botanical Gardens at Little Falls

2nd September 2019

Dear Residents

We have organised a bus to take us to the Walter Sisulu Botanical Gardens at Little Falls on 17th September 2019.

The cost will be R60.00 return and the entrance to the Gardens is free on that day for Seniors.

We will depart Evergreen at 9.00 am and return leaving the gardens at 2.30 pm.

There is a restaurant within the gardens but you can also take a picnic lunch, there are lots of places to sit out (but remember whatever you bring will need to be on your lap as there is little space for cooler boxes etc.)

The bus can take 12 passengers so this will be on a first come basis. There may be some who will also join in but using their own cars, particularly if the bus becomes full. Maybe bring binoculars as there is plenty of activity at the Black Eagle site. Book with Thola at reception.
