

# A NOTE

## FROM EVERGREEN

Dear Resident

### Care centre communication:

Please can we ask that you keep the care centre updated on your medical status?

We want to know when you are not well or being admitted to hospital and when you get back to the village in order to give you all the necessary support possible.

Your wellbeing is of utmost importance to us and Sister Marius and his team are really passionate about ensuring we are there to support you in any way we can.

Warmest Regards
