

**On Friday, the opening ceremony starts at 11.30 our time, and the first match between Japan and Russia starts at 12.30**

**The times coincide with the normal Friday fish and chips lunch but we will screen this anyway for the rugby fans.**

**On Saturday, the Springboks play the All Blacks at 11.30. The build-up starts at 11.15. Again, this will be screened in the clubhouse for fans who want to enjoy the action amongst friends.**

**The Bistro doesn't normally function on a Saturday so be sure to bring your snacks and drinks along with your best Springbok outfit!**
