BALLET VISIT - March 2020

20th November 2019

Dear Residents,

Joburg Ballet will host two of the world's major ballet stars when Marianela Nuñez and Vadim Muntagirov of The Royal Ballet perform in the great classical ballet, Don Quixote, **our preference is for Seniors tickets for R110.00 each at 11:00 am on Tuesday, 17 March 2020** and anyone interested must confirm their booking immediately to Jean (Ext 1058) or Sue (Ext 1071) and be happy to pay on confirmation of their booking. We would like a firm commitment so that anyone who can't make it, or has a change of mind, is responsible for disposing of the ticket.

We will request village transport to and from the theatre.

Commenting on the star dancers visit, Joburg Ballet said: "It is a tremendous coup for Joburg Ballet to have engaged Marianela and Vadim as guest artists for Don Quixote in what is set to be one of the most thrilling events on the South African ballet calendar in recent years." Artistic director Iain MacDonald added: "We look forward to welcoming Marianela Nuñez and Vadim Muntagirov to Joburg Ballet to dance two of classical ballet's most dazzling roles. It will be an exciting experience not only for audiences but also for our dancers sharing the stage with Marianela and Vadim."

Last seen in Johannesburg five years ago, Don Quixote is set in the bustling Spanish seaport of Barcelona. This scintillating classic tells the story of beautiful, audacious Kitri and her love for a dashing but poor barber. Her father, however, has other plans for his headstrong daughter, hoping to marry her off to a wealthy but foppish suitor. But in the end love conquers all in a cascade of classical ballet featuring celebrated showpieces, including the famous Don Quixote Pas de Deux. The Johannesburg Philharmonic Orchestra will be in the orchestra pit to bring to life one of the most sparkling music scores ever created for ballet.
