BUMPER SOCIAL EVENING!

22nd November 2019

Dear Residents,

We do hope you can make it to the Wednesday 27th November social evening.

There is so much going on it may not be able to be squeezed into one page.

**First of all there is no restriction on table bookings and you can sit wherever you want. Friends tables can be arranged with the Bistro.**

Right then, we have Henri's 102nd Birthday complete with cake and balloons, how often can you say that you are going to a 102nd Birthday party?

Then we have a whole bunch of Birthday's and Anniversaries. It's Brian Quinn's 81st and he and Noreen hope to pop in to see every body. Our Adi is nearly 25 and celebrates that on the 29th! She is giving you a celebratory glass of champagne on your arrival. Then Pierre and Moira are celebrating their wedding anniversary.

So where is the menu I hear you say! Well, it is being crafted by Dwayne as we write this and will be with you soon, but I can tell you it includes Barmy(?) Goreng.

And thats not all, remember the money you paid for the 100+ Club? Well, the draw is on this night as well.

So let's have a huge turn out and remember the night of the Birthdays and Anniversary.
