

Circular 50-2019

29 November 2019

Dear Residents,

EMERGENCY CONTACT INFORMATION

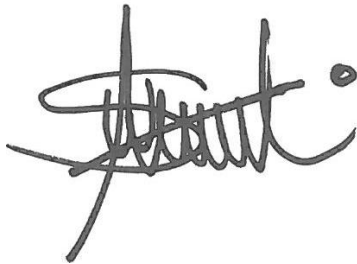

We have experienced some problems with landline numbers recently when there is lightning in the area. Whilst we try to have phones operational all the time, the reality is that it does sometimes go off and this can cause communication problems.

As an additional step to ensure effective communication, the below table provides you with Cell numbers for Village management should you not be able to get through on the normal village number. (087 809 3366)

We man the phones and club house 24 hours a day between the duty managers and the night manager. Please share these numbers with your loved one's who might be trying to get hold of you to use should there be an emergency or should they be concerned about not being able to get hold of you.
