Craft Afternoon

Tuesday, 28 January 2020

CALLING ALL CRAFTERS

Especially those who enjoy sewing

Let's get together for an afternoon of fun on **Tuesday, 28 January 2020 at 2pm** in the Lifestyle Centre. This inaugural get-together will be free, although coffee or tea may be ordered for your own account from the Lifestyle Centre. Please feel free to join us, even for a chat!

There will be a **short demo on how to make a small ironing board** for your sewing projects, using items you already have in your home. After that, we'll make a **patchwork fabric glasses case (will be supplied by Marilyn)**.

A small kit will be made up of the materials you need, for each person attending. All you will need to bring are:

- Fabric cutting scissors
- Pins and needles
- Rulers or tape measures
- Pen and paper

However, if you have a sewing machine and extension cord, cutting mat, roller cutter, iron and board, buttons and lace, that would be a great help as well. We can help you transport your machine to the Lifestyle Centre.

NB In order to make up the correct number of kits, we need to know if you'll be attending by **Wednesday, 22 January 2020**.

Hope to see you there!
