

RESCOM COMMUNIQUE

Communique No 183

7th February 2020

Wednesday Social
12th February

Dear Residents,

The format for this Social will centre around wine tasting accompanied by snacks and then the Bistro meal follows.

The tasting will be done by Bernie from Broadacres Liquor City and follows the format of the similar event last year.

Please note that a meal will need to be ordered so as you can attend the winetasting.

We believe the hospitality ladies are decorating the tables for a Valentines evening so be prepared

We start at the usual time of 5pm and the meal will be served about 6pm or thereabouts.

Look forward to seeing you there.
