

**Circular 11-2020**

**17 February 2020**

Dear Residents,

**SECURITY INCIDENT ON SATURDAY 15 FEBRUARY 2020.**

Crime is an unfortunate everyday reality of life in South Africa.

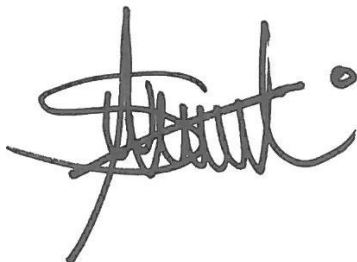

As I am sure some of you are aware, we had a security incident on Saturday whereby a suspect managed to gain access to the Village by climbing a tree and jumping over the electric fence down by the northern wetland of the Village. Despite being shocked by the fence he managed to make his way up to the Club house where he was apprehended by the Duty Manager and Security.

Armed response responded within minutes and apprehended him. SAPS also arrived in time to arrest the man on site as they were conducting a man hunt for him in the area.

We are thankful that no one was injured during the incident and for the fast reaction of both Security and the Duty Manager to apprehend the suspect.

Repairs to the Electric fence has been done and as an added precaution we are looking at cutting back the trees in the open veld at the bottom of our wetland.

Warm regards

**Wilma Swart**  
Village Manager
