

Circular 12-2020

17 February 2020

Dear Residents,

COMPOST SITE AND GARDEN REFUSE

This is an urgent reminder regarding the Compost Site/Garden Refuse area, regularly plastic bags of all sorts and plastic containers are being dumped on the compost site. Four Seasons and our own Utility workers are not available to continually collect this plastic rubbish.

These bags are either dumped by Residents or by Residents private gardeners, this is a reminder to all to inform your private gardeners to not dump plastic or any other refuse besides garden refuse on the compost heap. Bags of garden refuse must be emptied and the plastic refuse to be taken to the Recycling area.

Warm regards

Roy Martin
