

Circular 019-2020

17 March 2020

Dear Residents,

As you are aware with Apartment block A having been completed in last year and Apartment block B set to be completed in the next month. We have decided that it would be nice to name the two Apartment buildings instead of referring to them as A and B block.

I thought it would be a great opportunity to get input from all our creative residents on possible names. Keeping in mind that it would become part of apartment residents' addresses.

We are looking for names that are punchy and not too long, but that really embodies the Evergreen environment of care and community.

To this effect I would like to invite you to all send me your suggestions for consideration.

Thank you in advance!

Kind regards

Wilma Swart
