

Dear Friends, Family and colleagues of Care Centre Residents,

20 March 2020

**RE: COVID-19 VIRUS (CORONAVIRUS)**

With the COVID 19 virus now declared an international pandemic. South Africa is declared a State of Disaster, which might change soon to a state of emergency. Unique Health together with Evergreen Health would like to contain as much as possible this highly contagious and potentially life-threatening Virus. The elderly and immune compromised are at highest risk.

The following precautionary measures have been implemented in the Care Centre:

- **NO visitors will be allowed in the Care Centre to limit the risk of spreading COVID-19**
- **NO residents/ patients to be admitted unless they can provide a negative COVID-19 laboratory result.**  
**All entrances to the Care Centre and Clinical areas will have hand sanitizing stations.**  
**Declaration documents to be completed on entry.**  
**Staff Monitoring – Temperature will be taken once a day.**  
**Residents in Care Centre's will be requested not to leave the Care Centre for social outings and / or into public areas – this is to eliminate their risk of exposure.**

Please comply in the interest of protecting our Residents and helping us to stop the Coronavirus- we appreciate your support.

Yours faithfully

**Sarel Naude**  
**Managing Director**
