

Circular 030

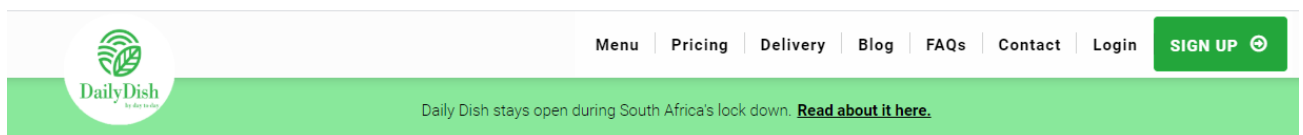

01 April 2020

Dear Residents,

It has been almost a week since President Ramaphosa announced the 21-day Lockdown in order to try and contain the spread of the Coronavirus. I thank each and every resident for playing their part in staying at home during this time.

We have introduced several ways to assist you with purchasing of food, and due to the amount of emails that you would've received during the last week, I feel it is necessary to "recap" all the ways we can assist you with ensuring you do not have to leave your home.

Food Shopping and Delivery:

The screenshot shows the header of the DailyDish website. On the left is the DailyDish logo. On the right is a navigation menu with links for Menu, Pricing, Delivery, Blog, FAQs, Contact, and Login. A green button labeled "SIGN UP" with a plus icon is also present. Below the navigation menu is a green banner with the text: "Daily Dish stays open during South Africa's lock down. [Read about it here.](#)"

DAILY DISH

How it works:

- You go on the website (<https://www.dailydish.co.za/>)
- You choose the type of menu that will suite your needs
- Select if you only want the food for one or two people (You can select the menu for 4, then it would be enough for 2 meals per person!)
- Select the number of recipes per week. (In essence, this means that if you select 4 recipes, you will receive the ingredients for 4 days)
- You then select "Order now!"
- The next step is to open an account and to follow the payment steps.

PLEASE NOTE THAT THIS IS A WEEKLY DEBIT ORDER THAT WILL TAKEN FROM YOUR ACCOUNT, SHOULD YOU NOT WANT TO USE THE SERVICE ANYMORE, YOU NEED TO PAUSE THE SUBSCRIPTION ON THE WEBSITE.

Deliveries will be made every Monday and we as Village Management will collect and will then drop it off at your door.

SPAR BROADACRES

Broadacres Spar has agreed to do a home delivery service for the Village. Simply send an email with your list or required items to the below e mail address. Village Management will inform you when your order has been delivered. If you have pre-paid via EFT the delivery will be accepted by Village Management and delivered to your house.
