Access to the Library-Part 2

Dear residents,

In my communiqué 191 'Access to library' I promised that a number of lists to help you find a book. Here now are 3 of those lists:

- Some of the most read books in the library: From records kept by Libby.
- Authors, fiction: I went through Libby's catalogue and extracted the names of all the authors with 4 or more titles in the library. This list is 4 pages long; if I'd listed all the authors the list would have been about 15 pages long!
- Non Fiction Book Categories: self-explanatory.
- DVD's: I'm still waiting for a list of available DVD's.

To remind you:

- 1.If you know the title and author of the book you want: Call the Duty manager and ask him or her to get the book for you.
- 2.If you know the title, but not the author: Call Libby Baker for fiction, or Pat Bailey for non-fiction, and ask them.
- 3.If you know the author or category, but not the title: For fiction, call Libby for a list of all the books by that author. For non-fiction, call Pat for a list of all the books in that category.
- 4.For jigsaw puzzles: Ask the duty manager to tell you which puzzles are available.

Hennie du Preez,
Chairman of ResCom.

Some of the most read books in the library
