USB Movies available

Dear residents,

Attached is a list of movies which I have available during lockdown and beyond.

I can copy them onto USB sticks for you to play through your TV, your Laptop or your Black Box android device.

All my USB sticks are spoken for, so if you want a particular movie or movies, you will have to send your USB to me via :-

1. Drop it on my front door mat with instructions and return details,
2. Phone reception and ask them to collect from you and deliver to me,
3. Ask to have the files sent to you via email?

Give it a go!!
