## **UTILITY, DOMESTIC AND MAINTENANCE SERVICES ANNUAL PRICE INCREASE 2020.**

Dear Residents,

The annual increase for services is due to come into effect on the 1<sup>st</sup> of June 2020.

Last year we managed to keep the increase down to 4.8% but this year the increase will be slightly higher to accommodate last years low number and to keep the charge to an even rounded rand number.

Below are the proposed increased prices:

<b>Service</b>	<b>Current price</b>	<b>Price effective 1 June 2020</b>
Domestic and utility	R50 per hour	R55 per hour
Maintenance /Handyman	R110 per 30 minutes	R120 per 30 minutes
Maintenance / Handyman	R180 per 60 minutes	R190 per 60 minutes

These prices will be charged for Domestic workers only once they are allowed back at work under lock down regulations and is by no means an indication that we are letting them return to work before Government allows for it.

Warm Regards
