

RESCOM COMMUNIQUE

Communique No 199

100+ Club Draw

The next 100+ Club Draw is due to take place soon in June.

Because of lockdown we would like to make some new arrangements as far as collecting payment for entries, also we would like to sell outstanding numbers to those folks who would still like to participate.

1. I have attached the house lists of those who have selected numbers so far. The 2nd column has the numbers selected by one resident and where we have a couple, the 4th column contains their selection.
2. Residents who have paid are listed as "pd" in the last column.
3. Again those who still need to pay can do so via EFT into the ResCom bank account. Remember it is R50.00 per number selected.
4. You will understand that we cannot call around to collect monies for obvious reasons.
5. Heather will phone those of you that have not had an opportunity as yet to take part to select available numbers.
6. The draw will be made by Wilma using a random number generator.
7. A list of prizes will be generated by Heather and Trevor.
8. All prizes will be in cash lower than R500 and the remainder will be paid into the winners bank account.

The new ResCom bank account is as follows, please note the Standard Back account is in the process of being closed.

Account Name : EVERGREEN LIFESTYLE BROADACRES RESIDENTS COMMITTEE

Account No : 62847606037

Bank/Branch : FNB Broadacres

Branch Code : 210835

NB. it is very important to please put your Unit Number and Name on the deposit information.

Thanks again to Heather and Trevor Morgan for getting this important fund raiser working again.

Cheers

Chris Edwards - ResCom Communications - 084 582 9129
