Dear Resident,

RETIREMENT OF PIERRE THERON, MAUREEN PHYTHIAN AND LYN O’RORKE

As I am sure some of you might be aware, Pierre Theron, Maureen Phythian and Lyn O’Rourke that has been working on our sales side for Amdec Property Investment, selling houses and apartments, has been retired at the beginning of the month.

Most noticeably, residents will know Pierre and Moira Theron who were so active in our community. Pierre and Moira’s sense of humour and the great lengths they went to in dressing up for every social gathering we had will certainly be missed.

Pierre and Moira will be moving out of the Village at the end of the month and we wish them all the best for Their future endeavours. Pierre has indicated that they will stay in Gauteng and we certainly hope that they will visit and join us for socials when it is allowed again.

Kind Regards

Wilma Swart
Village Manager
