

**BROADACRES VILLAGE RESIDENTS COMMITTEE**

**COMMUNIQUE - 208**

**ARBOR DAY 12 SEPTEMBER**

20 August 2020

*Dear residents,*

*Celebrating Arbor Day is a long standing tradition in our village and this is a heads-up that we will again be celebrating the day, but a scaled down version of it. We will not be planting any trees because the gardeners have not been available to dig the holes.*

*Instead, we will be pruning the trees and shrubs that we planted in previous years. This is not rocket-science and I'll explain what needs to be done in a short briefing at the start of the day.*

*Further announcements will follow in due course, but in the meantime please diarise the **morning of Saturday 12 September** for our Arbor Day celebration*

*Hennie du Preez,  
Chairman of ResCom.*
