23rd November 2020

FROM YOUR LIBRARY

30th November: STAFF TABLE

The library has received many wonderful books, DVDs and magazines, for which we thank you all most heartily.

Duplicated items are donated to other libraries, schools or the SPCA.

However, we'd also like to invite our staff members to choose some of these items. Staff includes all the office, security, domestic and gardening staff, whether employed by Evergreen or residents.

Tables will be set up outside the Clubhouse from 8am until.....

Please encourage all staff members to come.

15th December: BOOK MORNING AND LUNCH

THE STAR OF BETHLEHEM

Presented by Graham Hall

10.30am

What better way to celebrate this time of year than by hearing about the star that shone that night over 2000 years ago.

Graham Hall lectured at the Wits planetarium for over 20 years, so join us for an interesting and entertaining morning.

After the talk we hope many of you will join us for a platter-style lunch in the Clubhouse.
