Communique No 224  
14th December 2020

RAM 2019 & RAC 2020 minutes

Dear residents,

Attached find the minutes for the Residents' Annual Meeting (RAM) held in July 2019 and also the Residents' Annual Caucus (RAC) held in September 2020 (the RAM was renamed the RAC in 2020).

You will recall that I was embarrassed in the RAC when I couldn't ask you to approve the minutes of the RAM meeting because they hadn't been circulated. While it is too late to do anything about them now, here they are for your records.

The minutes of the RAC have been provisionally approved by your ResCom. It is not too late to amend them as they will only be finally approved at the RAC in July 2021. Please go through them and if you feel that there is anything minuted incorrectly, or left out let me know before 13th January so that we may consider your amendments at our next ResCom meeting on 14th January.2021.

Hennie du Preez,  
ResCom Chairman.
