

Circular 092

29 December 2020

Dear Resident,

LEVEL 3 LOCKDOWN AND HOW IT AFFECTS YOU.

As per our President's address last night, he has moved the country to level 3 lockdown status until the 15th of January 2020 effective immediately.

The Gazetted regulations state the below:

36.3 - All social gatherings are prohibited for two weeks.

36.15 (a) - Restaurants subject to maximum of 50 persons or less for indoor venues.

44.2 – The consumption of liquor in public places is prohibited.

44.7 - The sale, dispensing, distributions, transportation, and consumption of liquor in contravention of sub regulation (1), (2), (3) and (4) is an offence.

In light of these regulations, we are cancelling the New Year's Eve social dinner that had 76 people booked, to ensure we keep within regulations and we do not put residents at risk.

The normal Friday fish and chips lunch will still go ahead but numbers will be limited and we will not be allowing alcohol to be consumed inside the club house for the duration of this lockdown level.

Those who have already paid for the New Years Eve dinner will be refunded or the money will be allocated to your account for future use.

It is a stark reminder that Covid-19 is everywhere and we should take every precaution, we must be vigilant. Please ensure that you wear a three-ply cloth mask **over your nose and mouth** at all times when leaving your home; wash your hands and sanitise every hour on the hour; practice social distancing of at least two meters.

We would again like to reiterate to all residents to please alert the Village Manager as soon as you experience any COVID-19 symptoms, such as a sore throat; a fever or increased temperature; a dry cough; body aches; or shortness of breath; loss of taste and/or smell. If you suspect that you have coronavirus symptoms, please call the clinic or reception for assistance – please do not come to the clubhouse. It is vital that you report to Village Management as soon as you are not feeling well and that you isolate and do not socialise with other residents.

Furthermore, should you or any of your family go for a COVID-19 test, we request that you inform us immediately. Please do not let them visit you until they receive a negative result and we have been informed.

Warm Regard

Wilma Swart
Village Manager
