NATIONAL GARDENING DAY

14 April 2021

NATIONAL GARDENING DAY

National Gardening Day on April 14th encourages gardeners and would-be gardeners to pick up a shovel and some seeds and kick-off a beautiful year of home-grown bounty.

Whether you want to grow vegetables, fruit, flowers, houseplants, or anything in between, National Gardening Day celebrates a satisfying pastime that you will enjoy for decades. Growing your own food also lets you provide fresh and natural nourishment for your family for a fraction of grocery store prices.

As many gardeners know, the benefits of gardening come from more than the produce. Spending time in the garden also provides physical activity and an opportunity to join with nature.

The observance is a call to action to get out and grow flower or vegetable gardens. No matter how you garden, plant in the ground, in containers, in straw bales or a square foot gardening box. Just garden!

NATIONAL SCRABBLE DAY

13 April 2021

NATIONAL SCRABBLE DAY

Each year on National Scrabble Day April 13th recognizes a game played around the world. Originally named Lexiko and then Criss-Cross Words, Alfred Mosher Butts eventually settled on the name Scrabble. The amateur artist and unemployed architect developed the word game in the midst of the depression. Still, it wasn't until 1948, a final name change and a trademark that Butts finally began to produce the game.

Scrabble is played with two to four players who score points by forming words from individual lettered tiles on a board marked with a 15 x 15 grid.

- 1984 – Scrabble became a daytime game show on NBC
- 2004 – Scrabble was inducted into the National Toy Hall of Fame
- Some cities sponsor Scrabble tournaments on the weekend closest to National Scrabble Day

HOW TO OBSERVE - National Scrabble Day

Call your friends and play a game or two of Scrabble! Mix it up, too. There are several ways to play the game if you want to change things up a bit. For example, if you're spending time alone, Scrabble solitaire challenges you at your own game of words. Another version allows players to only play nouns but they earn bonus points for playing nouns that are both a proper noun and an approved Scrabble word.
