

Circular 0133

10 June 2021

SAVE THE DATE FOR 2ND COVID19 VACCINATION

Dear Residents,

We have received confirmation from the Department of Health that our 2nd Vaccination date will be on 19 – 20 July 2021.

As we get more information and closer to the time, we will send out a schedule with time slots again for people to make their way down to the Life Style Centre in small groups so we have a constant smooth flow of people that reduces waiting times.

We have had a few residents that has received SMS messages as follows:

“Dear XXX You have been scheduled for vaccination on 09 June 2021 between 10AM and 12 Pm at Virgin Active Broadacres. (235143). Please bring your vaccine code VPB-1-NU7E2XCD and your ID / passport to the vaccination site. If you are a member of a medical aid, you must bring your medical aid card. Please call COVID19 Hotline on 0800029999 with queries”

Please ignore these as you have already had your first vaccination. The EVDS system is far behind with registrations and our first vaccination information is not completely registered yet. We hope to have this all done and reflecting by the time the second vaccination is being done.

On the day of your second vaccination, we will issue you with your vaccination card that reflects the details of both vaccinations.

Regards

Wilma Swart
Village Manager
