

Circular 134-2021

11 June 2021

Dear Residents

NEW ADDITION TO THE FAMILY

As I am sure some of you have noticed Tshwanelo's absence from work over the past week, she was blessed with a baby girl this morning.

Both Mom and baby are doing very well. This off course means that she will be on 4 month's maternity leave till the end of September 2021.

We are in the process of getting someone to stand in at reception and will advise as soon as we find a suitable candidate.

Warm Regards

Wilma Swart
Village Manager
