

**Circular 0140**

29 June 2021

Dear Evergreen Residents,

**RE: HOW TO OPERATE YOUR FIRE EXTINGUISHER**

1. Place the extinguisher on a flat surface, holding it with your left hand then twist the pin, as indicated in the picture, to break the red plastic seal.

2. Then pull the pin out

3. Then hold the extinguisher by the handle, point the nozzle towards the base of the flames and press down the handle.

Yours Sincerely,

**EVERGREEN VILLAGE MANAGEMENT**
