

Circular 146

CIVIL UNREST AND COVID 19 UPDATE:

13 July 2021

Dear Resident,

I regret to inform you that both Roy Martin and Chef Andrew Hammond tested positive for the Covid-19 virus this morning. They will both be isolating at home for the next 14 days. We wish them speedy recoveries.

Please bear with the kitchen as food deliveries will carry on headed up by the two cooks in the kitchen.

The good news is that Sister Marius will be back at work from tomorrow having made his recovery.

With the ongoing uncertainty with civil unrest and looting happening, we can confirm that incidences have been reported at the following locations:

1. Diepsloot – Bambanani Mall
2. Cosmo Mall
3. Kya Sands.

I therefore urge residents to not leave the Village unless absolutely necessary. And if you have to go out to please be vigilant.

My team and myself remain dedicated to assisting any resident that might require assistance.

Kind Regards

Wilma Swart
Village Manager
