

Circular 0150

22 July 2021

Dear Resident,

NEW AMENDED AND AGREED HOUSE RULES FOR EVERGREEN BRAODACRES.

Please find attached house rules applicable to our Village. Changes to these house rules have been discussed and worked on with ResCom for well over a year already and we are pleased that this has now been finalized.

Thank you to the Rescom members who spend many long hours debating and working through all aspects of the House rules and collaborating with the Evergreen Legal team to get these drafted and approved.

Please take some time to read through the House Rules and familiarize yourself with them.

Kind Regards

Wilma Swart
Village Manager
