

## Circular 0169

01 October 2021

### **Level 1 Water restrictions and amended irrigation schedule:**

Dear Residents,

With Rand water Level-1 restrictions already implemented, Johannesburg Water may implement further restrictions should the need arise, which will impact customer in higher lying areas with low pressure or no water supply. Rand Water urge customers to reduce water consumption during this critical time.

Under level-1 restrictions, watering of gardens is not allowed in summer months between 6 am and 6 pm (1 Sept to 31 March) and residents are also not allowed to wash driveways and paved areas using hose pipes.

Although part of Village irrigation is supplied by borehole, we have changed the irrigation timers to comply with restrictions as per attached.

Warm Regard

**Wilma Swart**  
**Village Manager**
