# HALLOWEEN

31 October 2021

## HALLOWEEN

On October 31st, Halloween brings out the ghouls and goblins, creatures, and strange folk.

They come creeping about the neighbourhood seeking favours over trickery.

People of all ages look forward to Halloween traditions. While dressing up and baking, we carve up glowing pumpkins.

Children breathe life into storybook characters while practicing their trick or treat.

In twos and threes, they traipse through the neighbourhood, collecting their bounty in pillow sacks.

A ghost, a pirate, a robot or Dorothy, and Toto. No matter their age, they come to the door. They knock or ring. Here and there, a screech or a boo!
