100 + CLUB  
COLLECTION AND DRAW

## 100+ Club Draw - 10th November 2021

This is just a quick reminder to those who have taken 100+ Club Draw numbers and have not yet paid. Please can we receive your payments before the end of October. This reminder includes those people that took their numbers at the Heritage Day Braai on 24th September. Cash payments can be made directly to me at number 69 or I will collect if arranged. If preferred payment can be made via EFT to FNB Evergreen Rescom account 62847606037 branch code 210835 giving your unit or apartment number and surname.

Now that the Covid restrictions have been revised, we can revert back to the original system of incorporating the draw into a Wednesday Social Dinner. In this instance the 10th of November has been selected. You are all welcome to attend.

Thank you for your support.

Heather Morgan - Lucky number 69.
