

REMINDER

RESIDENTS FUN WALK – SATURDAY 13th November 2021

Please will all Residents who intend to take part in the above event either as a Walker, Helper or just as a Spectator, return their signed Indemnity forms plus their Compulsory Donation to me at Unit 80, Norma at Unit 111 or Brenda at Acacia 1v **as early as possible. Please do not wait to hand them in on the day as** I need to finalise numbers for catering and beverage requirements.

For your donation you will receive a boerewors roll with Hennie's famous "pap an sous", a beverage of your choice and champagne and orange juice before, during and after the walk. The Watering Hole will also be open.

Those of you who have not done a Resident's Fun Walk before and are wondering whether to walk or not, why not come down and enter. **IT IS NOT A RACE; IT IS A FUN WALK.** No one cares who comes 1st or last and there will not be anyone checking to see how far you walked. There are 4 different distances for you to choose to walk from the 800-meter Dash to 5.4kms. Still not sure?

It is a great opportunity for you to test your fitness. Remember sweat is just fat melting. It is also a good opportunity for you to come and meet other Residents who you may not have had the pleasure of meeting before.

On Saturday afternoon please come down to the clubhouse at 4.30pm for registration and to collect your name tags. The walk will start after the rugby has finished.

If you have an Evergreen T-shirt, please wear it.

Come and enjoy the fun

Ernie Unit 80, ext 1080 if you want more details
