

**Circular 0177**

18 November 2021

Dear Residents,

**Planned Program for Painting of Houses.**

Due to unforeseen circumstances the signing of the contract to appoint the contractor for the painting of houses have been delayed.

This has delayed the starting of the house painting program as previously communicated. As soon as this is resolved and signed, I will advise the amended program dates.

Warm Regard

**Wilma Swart**  
**Village Manager**
