

Circular 0178

22 November 2021

Dear Residents,

Frederick Road Association – Community Clean-up Day 27 November 2021.

As you might be aware, Evergreen Lifestyle Village Broadacres has formed an association with other complex on Frederick Road in an attempt to keep our Road safe, prevent crime and participate in keeping our neighbourhood well maintained.

One of the concerns that the Frederick Road Association had identified as requiring cleaning up is the area on the corner of Pine and Lombardy Avenue. This area is owned by council And no cleaning efforts happens here. We want to get the Frederick Road Residents to join us For a community clean up of this area on Saturday 27 November 2021 from 07:00 – 09:00.

The aim will be to clear refuse that keeps getting stuck in the stormwater channel which causes blockages. Once all refuse has been removed our next step will be to look at how we can clear some of the vegetation on this site that poses a risk of vagrants and potential criminals seeking to hide in the vegetation. This will all assist us in keeping our perimeter safe.

Residents are invited to join volunteers from the other complexes in Frederick Road from 07:00 – 09:00. Water and Ice cream will be supplied.

Warm Regard

Wilma Swart
Village Manager
