

## Circular 0179

23 November 2021

### PETITION FOR SPEED HUMPS

Dear Resident,

Many of our residents have observed or may even have experienced a near miss by vehicles speeding through the 4-way stop at the intersection of Frederick and Pine Roads. Our Estate has joined a recently formed association of estates (the Frederick Road Association) whose objectives have been set to benefit our residents in terms of security, safety, maintenance etc. along Frederick and Pine Roads.

At a recent meeting of the various participating estates, it was decided to address this safety issue by applying for speed humps to be installed on Pine Road on each side of the intersection. The procedure involves the submission of petitions from the members of public who support this initiative. Hence, we will be approaching our residents to indicate your support for this initiative, by signature of an appropriate petition form.

A further speed hump midway along Frederick Road will also be considered.

We will collect signatures at reception on a petition form by 10 December 2021.

We trust you will support us in our endeavors to improve your safety. Feel free to sign this form with Tshwanelo when next you visit the Life Style Centre.

Regards,

**Wilma Swart**
