

## Circular 0180

25 November 2021

### **VILLAGE ENTRANCE GATES AFTER HOURS 21:00 – 06:00:**

Dear Resident,

In an attempt to increase the level of safety for resident returning to the Village at night, we will be closing the residents gate from 21:00 – 06:00. Residents returning to the Village between these times will be required to use the visitors gate to access the Village.

The reason for this is simply that the Visitor's gate opens and closes faster than the resident's gate. Thus, reducing the time that you are parked in front of the gate slightly.

Security will be placing a traffic cone in front of the resident's gate to indicate when the gate is closed.

Regards,

**Wilma Swart**  
**Village Manager**
