NATIONAL CROSSWORD PUZZLE DAY

21 December 2021

NATIONAL CROSSWORD PUZZLE DAY

Did you know that the first crossword puzzle was created by Arthur Wynne and published on December 21, 1913 in the New York World Newspaper?

Wynne's puzzle was diamond shaped and contained no internal black squares. However, it was so popular with readers that within a decade crossword puzzles were featured in almost all American newspapers. We all know a crossword lover; some even get the newspaper for the sole purpose of doing the crossword.

So, on December 21 let's celebrate National Crossword Puzzle Day the best way we know how... find one you like and start filling in those squares!

Join us in your Lifestyle Centre at 10h00 for a session of Crossword Fun to Challenge yourself and see who the BOFFINS are!

CHRISTMAS EVE

24 December 2021

CHRISTMAS

Every year on Dec. 25, we celebrate **Christmas**, a day for spending time with family, observing an important Christian holiday, partaking in light-hearted traditions, or just spreading some holiday cheer! Christmas has evolved over several millennia into a worldwide celebration that's both religious and secular and chock full of fun-filled, family activities.

Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. A feast central to the Christian liturgical year, it is preceded by the season of Advent or the Nativity Fast and initiates the season of Christmastide, which historically in the West lasts twelve days and culminates on Twelfth Night.

Christmas Day is a public holiday in many of the world's nations, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season centered around it.

WE WISH YOU AND YOUR FAMILY A MERRY CHRISTMAS
